

A fine George III Wine Coaster made in London in 1818 by Emes & Barnard.

Sold

REF: 176350

Description

The Wine Coaster is circular in form and displays high sides decorated with two gadrooned bands. The Wine Coaster has a turned fruitwood base which is centred with a silver boss. The Coaster is of exceptional quality, as would be expected from these quality makers. The sides also display crisp hallmarks.

Height: 2 inches, 5cm.

Diameter: 6 inches, 15cm
