Description

This extremely rare piece is modelled in an unusual square form and each side is decorated with exotic trees and flowerheads, in relief, on a matted ground. This is a rare Chinoiserie design. The hinged cover is decorated in the same manner as the sides and terminates in a rising flower head. The scroll handle is decorated with single flower heads, as is the fluted scroll handle, which unusually has a spout pin, also with a flower head on the end. This beautiful piece is in excellent condition and is very well marked on the base. Length, handle to spout: 2.25 inches, 5.63 cm. Height: 1.5 inches, 3.75 cm.
