Description

These very rare Servers are modelled in the Fiddle and Thread pattern which is double struck. They unusually have a solid blade on the upper section and a fork below with five tines. The top of the stem is engraved with a contemporary Crest and Motto, these being as used by the Boycott family, the main branch of the family being in County Shropshire. The Servers are of a design which we have not encountered before, and are especially rare coming from Ireland. They are of a very good gauge and weight and are in excellent condition. Both sections display a crisp set of marks.Length: 9.75 inches, 24.38 cm.Weight: 9oz.
