

An unusual George III Milk Jug made in London in 1793 by Robert Hennell

Sold

REF: 136665

Height: 4 cm (1.6")

Width: 5 cm (2")

Depth: 3 cm (1.2")

Description

The Jug stands on a spreading foot and is decorated with an applied reeded band at the rim. This piece, unusually, has a faceted sparrow beak pouring spout and plain loop handle. As you will appreciate, the design of this piece has a contemporary feel to it, although it was made in 1793.
