

An extremely rare porcelain caddy spoon, English, Circa 1840.

Sold

REF: 374531

Description

This extremely rare Biscuit Porcelain Caddy Spoon is unusually modelled as a beautiful petal, with deep bowl and raised scalloped edge decorated with a pale wash, around the rim. The end is shaped up to a scroll for carrying. Porcelain Caddy Spoons are extremely rare. Very few were made in the first instance, however due to their fragile nature, even fewer have survived.

Length: 1.9 inches, 4.75 cm. Width: 1.1 inches, 2.75 cm
