

A rare set of four George III Old English Pattern Salt Spoons made in York circa 1801-1804 by Hampston, Prince & Cattles.

Sold

REF: 215433

Description

The four spoons are modelled in the Old English pattern and have circular bowls. Each is well marked and the top of each stem is engraved with an unusual contemporary Crest. The Crest is that as used by the Watt family.

Length: 4.1 inches, 10.25cm.
