

An exceptionally fine George II Gold mounted Hardstone Snuff Box,
English Circa 1740/50.

Sold

REF: 374704

Description

The Snuff Box has a tall form and is inset, on the cover and base, with beautifully shaded and faceted agate panels. The wide gold mounts are crisply chased with entwined linear scrolls and Rococo shell details, all on a matted ground. The front displays a raying shell thumb piece. The box is in quite excellent, crisp, condition and displays exceptional facetting work. Height: 1.2 inches, 3cm. Length: 2.1 inches, 5.35 cm. Width: 1.7 inches, 4.35 cm
