Sold

REF: 153369

Diameter: 8 cm (3.1")

Description

The Salver stands on three cast panel feet which are decorated with a beaded edge. The raised rim is unusually decorated with a double beaded band and the centre is engraved with a contemporary Crest. The weight and gauge of this piece is outstanding and the reverse is very well marked. This example is of a good large size for a variety of uses. Salvers and Trays are not common from the workshops of Hester Bateman.
