

YORK. A rare English Provincial Sifter Spoon made in York in 1843 by Barber & North.

Sold

REF: 374137

Description

The Sifter is modelled in the fiddle pattern and displays a wide oval bowl, pierced with scrolls and tear drop motifs. This piece is very well marked and is of an exceptional gauge. Sifters from York are very rare.

Length: 6.5 inches, 16.25cm.

Width of the bowl: 2.25 inches, 5.63cm.
