REF: 108502

Height: 10 cm (3.9")

Description

The Candlesticks are of an unusual size and form, both standing on circular stepped bases which are decorated with reeding. The main shaft is plain in design except for thread edge bands. The nozzles are fixed to the main body and the candle is ejected by an unusual pusher mechanism in the base. The Candlesticks are in excellent condition and the bases are well marked and engraved with a contemporary Crest.

Diameter of the base: 4.25 inches.

Weight: 29oz
