Description

The Caddy Spoon is modelled in a most unusual design with elongated bowl with serrated edge and displaying shoulders where it is attached to the Old English Pattern handle. The bowl is finely engraved with a foliate spray with central flower head, surrounded by a prick dot border which follows the shape of the bowl. The top of the handle is engraved with a set of contemporary script initials. This piece is in excellent condition and displays a crisp set of hallmarks. This is the first time we have seen this specific design and cannot find similar in our library.Length: 3.25 inches, 8.13 cm.Width of bowl: 1.25 inches, 3.13 cm
