Mary Cooke Antiques Ltd 12 The Old Power Station, 121 Mortlake High Street, London, SW14 8SN +44 (0)20 8876 5777

Description

The Caddy Spoon is made in the rare naturalistic style. The bell shaped silver gilt bowl is fluted and decorated with raised vine leaves and a bunch of grapes. The handle is beautiful modelled as a textured twisted vine, with vine leaves applied. The spoon is very well marked on the handle. This is an uncommon design and is in excellent condition.

Length: 3.5 inches, 8.75cm.
