

Newcastle. A very rare George III Caddy Spoon made in Newcastle
Circ a1786-90 by Langlands & Robertson.

Sold

Description

Caddy Spoons from this small Provincial centre of silver production are rare. This particular example has a very unusual "Bat Wing" fluted bowl and the waisted handle is engraved with an eclectic mix of bright cut and prick dot designs, and displays a vacant oval cartouche. This piece is in excellent, crisp, condition and is very well amrked on the reverse of the stem.

Length: 3.1 inches, 7.75cm.
