

A George III Pepper Caster made in London in 1806 by Peter & William Bateman

Sold

REF: 108569

Height: 6 cm (2.4")

Diameter: 2 cm (0.8")

Description

The Pepper stands on a stepped pedestal foot decorated with reeding. The vase shaped main body is plain in design and the domed pull off cover is also decorated with reeding and is plainly pierced. The design of this piece is most unusual and it has been suggested that it may also have been used as a wig powderer.

Weight: 3.75 oz
