NATHANIEL MILLS IN BIRMINGHAM IN 1849

£395

REF: 375400

Description

Nathaniel Mills made hardly any wine labels during his career, as he was predominantly a box maker and to find an example from his workshops is very unusual. The Label we offer is of a pretty shaped form, pierced with geometric designs and engraved with scroll work and a pair of cups beneath the title. The label is engraved for MADEIRA and is very well marked on the reverse. Length: 2.45 inches, 6.13 cm. Width: 1.2 inches, 3 cm.
