

MARY COOKE ANTIQUES LTD

Fine Antique Silver

A Toothpick Box made circa 1790.

REF:- 69243

Height: 4 cm (1 1/2")

SOLD

Short Description

A particularly fine George III Ivory and Gold Toothpick Box.

The box is broad rectangular in form with cut corners and is unusually set, in the cover, with an aventurine panel surrounded by gold banding engraved with prick dot and bright cutting. This example with original red velvet lining and interior mirror. Made, most probably in London
