

MARY COOKE ANTIQUES LTD

Fine Antique Silver

A rare William III Miniature/Toy Drinking Tankard made in London circa 1695 by John Albright.

SOLD

REF:- 291540

Short Description

The Tankard is an exact miniature of the full sized examples and stands on a circular reeded ring foot. The bell shaped main body is of plain design with a reeded applied girdle around the lower section of the body. This piece has a reeded oval handle and is well marked twice on the side of the main body with the makers mark.

Height: 1.25 inches, 3.13cm.

Diameter at the rim: 1.25 inches, 3.13cm
