## Fine Antique Silver

A very rare George III 'Twisted Stem' Marrow Scoop made in Edinburgh circa 1790 by William Robertson.

**£595**

REF:- 369600

---

## Short Description

---

The Marrow Scoop has a very unusual long slender form. The central section, unusually, has a twisted section which is a rare characteristic of Scottish flatware design. The Scoop is of a very good gauge and is marked on the reverse.

Length: 10.75 inches, 26.88cm.
